One Stop is UC's Central Administration Service

The One Stop Student Service enables you to take care of business online without having to run all over campus. You can register for classes, pay your bill, check your grades, request a transcript and more. Vist: www.onestop.uc.edu

BlackBoard is UC's Official Courseware

Many of the courses and all on-line courses at UC use BlackBoard, an online system that allows instructors to place course syllabi and instructional materials online. It also contains communication tools, such as online discussion boards, where students collaborate, post assignments and receive updates from professors. BlackBoard also serves as a portal to other Web services at UC.

If you are in a course that uses BlackBoard, you will need to activate your account. **To activate your account**, you must be an official university student enrolled in a current semester course.

1. Go to blackboard.uc.edu/support/.
2. Click on the "Activate Account" button.
3. Complete all information and click "Submit. Your Blackboard username and password will be confirmed on this screen.
4. Record your username and password or print the confirmation page for reference. A confirmation will also be sent to the e-mail address provided.
5. Once your account has been confirmed, you can return to blackboard.uc.edu/support/ and use the "Click Here to Login" link.
