ELIGIBLE COURSES (to include courses required for Model Pathways)

- This list is non-inclusive and subject to change.
- The list contains "Level I" courses only, as defined by College Credit Plus (CCP) guidelines.
- **Exceptions:** Students may take courses that do not appear on the 'Level 1' list as long as these courses fall into one of the following categories:
 - The courses are part of a *15-credit hour* or *30-credit hour* 'model pathway' (see above).
 - The courses are included in one of the following subject areas: *computer science, information technology, anatomy, physiology or foreign language (to include American Sign Language)*.
 - The courses are required for a *technical certificate* (UC Clermont or UC Blue Ash only).
 - The courses are either an *internship or study, academic and career success-oriented*.
- **'Level 1' / 'First 15' Exceptions:**
 - Students may bypass 'Level I' requirements as long as they've already earned their "First 15" credit hours through prior CCP coursework, Advanced Placement credit, or International Baccalaureate credit.
 - Students may take 'Level 2' courses as long as they've tested into or completed the published pre-requisites for these courses.
- Courses that appear on the list below may not be offered every semester.
- Students must meet individual course pre-requisites to enroll in any course.
